Hi Emily,

So, based on the amount we have spent in the past couple months and what is remaining in our allotted funding, I came up with \$37,805.56 is how much we will spend over our funding amount. I am not sure if that is too much to ask for but if so, of course, you are welcome to adjust as needed. Let me know if you need any other information or if there is anything else I need to do. Thanks a lot and have a great day!

Angel

Hello all,

Many of you have claimed more expenditures than we have paid you for the last "quarter," which indicates that there may be some additional funding needs as we finish out the fiscal year. There is some funding that was not spent during the first half of FY17 that I am looking at allocating on the June invoice. Please let me know if your organization is in need of additional funding for the remainder of FY17, and provide an reasonable estimate that you think you will be able to spend before the end of the fiscal year.

Thanks,
